

MAKE PEACE WITH GERMANY BY RESOLUTION

SO RECOMMENDS PRES. HARDING IN MESSAGE

WITH PRESENT LEAGUE OF NATIONS THE PRESIDENT WOULD NOT HAVE ANYTHING TO DO

BUT ADVOCATES AN ASSOCIATION OF NATIONS TO PROMOTE FUTURE PEACE

RAYMOND CLAPPER
(United Press Staff Correspondent)

HARDING HIGHLIGHTS

Perishable food costs too much. Congress should investigate.

Pass emergency tariff at once. Full revision later.

Pass immediately peace with Germany resolution.

Against the league of nations.

Bring the cost of maintaining the government inside the present revenue returns.

Congress advised to investigate railroad situation.

Federal aid to highways should be extended.

Soldier relief should be directed by a policy of generous gratitude.

Endorsement of the federal maternity bill and support suggestions for creating a public welfare department.

Prudence forbids rash disarmament bill.

Washington, April 12—Congress should adopt a resolution declaring peace with Germany without further delay. President Harding recommended in his first message to congress today. Such action, he said, could in no sense be construed as desertion of the allies.

He made plain his belief that the league of nations is dead.

Measures to lower taxes and lower retail prices were the outstanding features of his recommendations for dealing with the domestic problem.

The message raised the question of the possible ratification of the Versailles treaty with the league of nations covenant deleted. Harding did not speak of this explicitly, but spoke for the acceptance of the rights and interests provided under the existing treaty, "assuming of course that this can be satisfactorily accomplished by such explicit reservations and modifications as will secure our absolute freedom from inadvisable commitments and safe guarantee of our essential interests."

The peace resolution, President Harding explained, should undertake to do no more than declare a state of peace and must put no difficulty in the way of collection of reparations and restoration of war torn Europe.

Turning his back completely on the league of nations, President Harding reaffirmed his allegiance to the ideal of a world association of nations.

But this problem must be deliberately considered, he added, and promised to invite the advice of senators when he finds it is time to act.

In the existing league of nations, world governing with its super power, this republic will have no part, he said.

"There can be no misrepresentation and there will be no betrayal of deliberate expression of the American people in the recent election."

"In rejecting the league of nations," he said later in his address, "we make no surrender of our hope and aim for an association to promote peace in which I would most heartily join."

Turning to the question of immediate peace the president said that the United States alone of the allies, an associated power, continued in a technical state of war.

"This anomaly ought not to be permitted to continue," he said. "To establish the state of technical peace without further delay," he said he approved a declaratory resolution by congress to that effect with qualifications essential to protect our rights.

President Harding argued against including in the resolution any declaration of future policies toward Europe. Such a declaration coming from congress would be an assumption.

WALTER GRANGER

A new photograph of Walter Granger of the American Museum of Natural History, who will go with the Andrews "Missing Link" expedition to the interior of China, with the consent and co-operation of the Chinese government.

BRITISH MINERS AND MINE OWNERS HOLD CONFERENCE

TO SETTLE MINERS' STRIKE—
GOVERNMENT CONTINUES TO
PREPARE FOR EMERGENCY

(By United Press)

London, April 12—The question of a general strike in Britain was in the hands of a small group of miners and colliery owners today as they conferred to settle the wage dispute Premier Lloyd George conferred separately with the two delegations. The mining regions were quiet today with pumping of flooded mines proceeding. The government continued its preparation for meeting an emergency. The latest announcement was that three hundred thousand more men will be required for the army. Air and sea forces also will be strengthened.

State-Wide Search For Missing Girl

(United Press)

Chicago, April 12—A state-wide search was started today for Caryll Pattison, twenty year old student at the University of Illinois, and daughter of Harry Pattison, a wealthy real estate dealer of Peoria.

She was found unconscious on the Sheridan road yesterday and taken to a hospital where she was revived.

She left the hospital, and said she was going to the home of Mrs. Charlotte Smith, whose son she said was her classmate. Investigation showed she did not appear at the Smith house.

Girl Found

Waukegan, Ill., April 12—Caryll Pattison was found sleeping on the front porch of the home of John Mackin, wealthy lumberman, here today.

tion of a function conferred on the executive.

President Harding laid emphasis upon the domestic problems.

"There is no more pressing problem," he said, "than to restrict expenses and at the same time lift the burden of war taxation. Economy is to be the outstanding and ever impelling purpose in both legislation and administration."

Creation of a department of public welfare was declared for by the president in accordance with the campaign pledge. He called for encouragement of the merchant marine, up-building of the radio communication, co-operation with the state governments, and the maintenance as well as building of good roads, creation of a budget system, protective tariff, encouragement of commercial as well as military aviation, an adequate navy and steps to halt lynching.

The president's message was seven thousand words in length. Harding finished speaking at 1:55. His message took exactly fifty-five minutes to deliver.

HARDING CONFERS WITH G. O. P. SENATE HEADS ON MESSAGE

CALL IN ALL MEMBERS OF FOREIGN RELATIONS COMMITTEE TO HEAR MESSAGE

RAYMOND CLAPPER,
(United Press Staff Correspondent)

Washington, April 12—Before completing the final revision of his message to congress, President Harding today called all republican members of the senate foreign relations committee to the White House for a conference.

The cabinet meeting scheduled for today was called off to allow President Harding to confer with the senators although he had planned to go over his message with cabinet members.

Harding worked on his message last night and until one o'clock this morning when it went to the government printing office.

The calling of the senators to the White House led to reports that Harding had made foreign trade, the Versailles treaty and league of nations an important feature in his message, and wished senators intimately concerned with foreign relations to go over his recommendation before they became public.

Proofs of the message reached Harding from the government printing office shortly before the senators came to the White House.

He at once set to work correcting them.

Weep Once a Week To Have Beautiful Eyes

(United Press)

Chicago, April 12—Girls, if you would have beautiful sparkling eyes just sit down and have a good cry at least once a week.

This was the advice given today by Madam Louise, famous beauty expert.

Weeping in moderate form strengthens the eyes, she said.

Tears have a natural cleansing power and imparts a charming lustre to the orbs.

Texas Loses Land Suit to Oklahoma

(United Press)

Washington, April 12—Oklahoma, by a decision of the supreme court, won its suit against Texas over the title to oil lands in the Red River valley estimated to be worth \$150,000,000. The United States government intervened in the case in behalf of the Indians, backing the position taken by Oklahoma and claiming land in the bed of the river as public domain. Its claim was sustained.

FUNERAL SERVICES OVER DEAD QUEEN

THE GERMAN EX-ROYAL FAMILY
GATHER FOR SERVICES—FLY
GERMAN FLAG

(By United Press)

Doorn, Holland, April 12—The German flag flew at half mast over Doorn castle today as members of the royal family gathered for the funeral of Empress Augusta Victoria.

The crown prince reached here from Wierengen last night. His arrival differed from his usual dash into the quiet Dutch town in a roaring automobile.

The entry was quiet and Frederick Wilhelm brought with him black clad officials of the Dutch government to console with his father.

Plans were made today for removal of the body early tomorrow morning. It will be taken to the railroad station on an especially built automobile. At the border line the crown prince and the former kaiser will be halted while the remains of the empress will be taken to Berlin to be paid the honors of royalty.

MYSTERY SURROUNDS KILLING OF MINER

Aitkin, Minn., April 12—Investigation was started yesterday in an effort to determine the manner in which John Salmi, a miner, whose mangled body was found near the Soo line tracks at Lawler, came to his death.

According to police there is evidence that Salmi was slugged, robbed and his body then placed on the railroad tracks to cover up the crime.

It is also suggested that the man was robbed and later committed suicide.

According to his widow, Salmi left his home at Cuyuna with his savings, \$930, which he had drawn out of the bank Thursday, in his possession, and had said he was going to use the money to purchase a farm near East Lake.

When Salmi's body was discovered only \$4 was found in his possession.

AUTO BANDITS LOOT BANK

(United Press)

Denver, Colo., April 12—Automobile bandits entered the Stock Yards bank at the union stock yards here today and took \$23,000.

THE KU KLUX KLAN WARNS GOVERNOR STOP CRIME WAVE

LETTER THREATENS TO RESORT
TO "FIRE STAKE" UNLESS
CRIMES CEASE

(By United Press)

Minneapolis, April 12—Letters signed "Ku Klux Klan" today warned Governor Preus and city officials that the crime wave in Minnesota must be stopped.

The letters threatened to resort to the "fire stake" unless the crimes against young girls and women in the twin cities are halted.

While there was no means of tracing the origin of the letters they were accepted as proof of recent reports that there is a branch of the famous southern Ku Klux Klan in northern states.

Copies of the letter were sent to Governor Preus, Chief of Police Walker and Minneapolis newspapers.

They specifically mentioned the case of Wm. Shannon, negro, on trial in Hennepin county court charged with attacking an eighteen year old white girl.

"If Shannon is not convicted he will die in the courtroom," the letter said to Chief of Police Walker.

Notes accompanying the letters to newspapers said the clan is well organized in Chicago, St. Paul, Minneapolis and other middle west cities.

"The die is cast. We have spoken," concluded the letters. They were signed "Ku Klux Klan."

MARKET REPORT

Minneapolis Cash Grain
Wheat—No. 1 dark northern, \$1.47 1/4 to \$1.57 1/4; No. 1 northern, \$1.40 1/4 to \$1.50 1/4.

Alfalfa—Standard, \$20; No. 1, \$15.
Midland Hay—No. 1, \$8; No. 2, \$6; No. 3, \$5.

CONGRESS BUSY ON FARMERS' RELIEF LEGISLATION

FORDNEY EMERGENCY TARIFF
BILL REPORTED—WILL PASS
THURSDAY

(By United Press)

Washington, April 12—The "farmers first" tariff program of the new congress got well under way today. The emergency tariff bill protecting wheat, wool, meat and other agricultural products from foreign competition was reported from committee. It will pass the house Wednesday, Chairman Fordney if the ways and means committee predicted. Republican Floor Leader Mondell named Thursday as the time limit.

Farmers expecting to get what they want at this session will soon be demanding defeat of other proposals with as much vigor as they sought tariff protection, it was believed here.

The suggested sales tax to be considered soon by the senate financial committee will provoke much opposition from farmer and labor interests according to indications reaching the chairmen.

With an emergency tariff bill disposed of in the house, the ways and means committee will pound out regular tariff bills which Chairman Fordney says may be ready in a month.

Meanwhile the senate financial committee will begin hearings on the sales tax and following that the income and revenue tax revision hearings.

Chicago Police Called to Make Raids by Spite

(United Press)

Chicago, April 12—Chicago women's little game of calling out the police "murder squad" to raid the homes of women they have a grudge against, must cease.

Police Chief Fitzmorris said so today.

Ever since the notorious Tommy O'Connor killed a policeman and escaped two weeks ago, police have received several hurry up calls each day such as this:

"Hello, police headquarters? Tommy O'Connor is hiding next door to my house."

Whereupon the "murder squad" which had orders to shoot to kill when they found Tommy, would rush to the house, break down doors and pointing guns at the frightened housewife would search the house.

Of course no Tommy was ever found. Chief Fitzmorris discovered that it was not that neighbor women wanted to co-operate with the department to bring the criminal to justice but merely to spite persons they hold a grudge against.

WOMEN TO DRIVE WARD HEELERS OUT POLITICAL SYSTEM

SAYS CHAIRMAN OF LEAGUE OF
WOMEN VOTERS CONVENTION
—LAWS RECOMMENDED

(United Press)

Cleveland, Ohio, April 12—Woman, the newly enfranchised, is going to drive machine politics and ward heelers out of the American political system.

This was the keynote of the annual report of Mrs. Maude Wood Parke, chairman of the delegates before the second annual convention of the National League of Women Voters in session here.

The committee on uniform laws is to present the following recommendations:

An equal interest of husband and wife in each other's real estate.

Wife and child desertion should be made a criminal offense.

Common law marriages should be abolished.

Health certificates should be obtained before a marriage license is issued.

DR. C. E. SAWYER

President Harding's personal physician will be Dr. C. E. Sawyer of Marion, a leading Ohio physician. He has been made a brigadier general in the army medical reserve corps and will make an investigation of government agencies for public welfare.

PACKERS PROPOSE NEW PLAN TO DIS- POSE STOCKYARDS

FILE SAME WITH SUPREME
COURT OF DISTRICT OF
COLUMBIA

(United Press)

Washington, April 12—Final legal steps for the divorce of big packers from stockyards and stockyard railroad control, were taken here today.

Swift & Company and Armour & Company filed in the supreme court of the District of Columbia plans for the disposal of stockyards and railroad interests. Such plans by the Morris, Wilson and Cudahy companies have already been approved by the court.

If the Swift and Armour companies plans are approved the government will have completed the packer suits which have been fought for more than a year.

CHICAGO TRYING TO EVICT LUCKY HOUSEBOATERS

(United Press)

Chicago, April 12—Houseboaters are fighting an effort to evict them from moorings on the Chicago river.

Marshal W. Finucane of the drainage district issued the eviction order. The water colony refused to abide.

Finucane is consulting the city's law department as to the next move.

A court battle to determine the rights of water squatters is in prospect.

Houseboaters, driven to life on the water by high rents, assert politics is back of the effort to make 'em 'sail on."

Some of the houseboats have all the comforts of home. Shower baths, telephones, lace curtains, pianos, electric lights and running water—all these conveniences have been installed to make the squatters' life the envy of their land neighbors.

And instead of laying out a hundred or more a month for rent, the houseboaters pay nothing outside of the cost of building a boat.

"We are the only families in Chicago who don't fear the rent hog," said Mrs. Charlotte Kus, skipper of the water villa "Happy Life," one of the model residences of the colony. "We love it here and I am so tired of hotel life. The only way they'll get us to move is by court edict."

Boiler Explosion Kills One Person In Tire Factory

Akron, Ohio, April 12—One person was killed and eight injured in an explosion at the Miller Rubber company here.

A boiler exploded in the power house in the rear of the main building wrecking the entire structure.

GOVERNOR SIGNS BILL TAXING THE IRON INDUSTRY

BIG COURT FIGHT EXPECTED
WHEN STEEL INTERESTS WILL
CONTEST THE LAW

A VETO WAS EXPECTED BY MANY
AS BILL DID NOT MEET GOV-
ERNOR'S RECOMMENDATIONS

(By United Press)

St. Paul, April 12—An occupational tax on the iron mining industry was written on the statutes of Minnesota today.

A big court fight is expected to ensue when the steel interests will attempt to wipe it off.

Governor Preus signed the six per cent occupational tax bill last night at his home. He had been expected to veto the measure since the legislators did not carry out his recommendations to invoke this tax in lieu of all other taxes.

It was pointed out today that if the legislature had revoked all other taxes on the mining industry and the new six per cent occupational tax was found unconstitutional, there would be no existing tax on the industry from which the state receives most of its revenue.

The senate tomorrow will consider the proposal to submit a six per cent occupational tax measure to the people for a constitutional amendment. The bill imposing a five per cent tax on mining royalties is to come up as a special order next Monday.

Brig. Gen. Leach Finally Accepts Minneapolis Mayorality Nomination

(By United Press)

Minneapolis, April 12—Brigadier General George E. Leach, former commander of the famous 151st field artillery, today accepted the republican nomination for mayor of Minneapolis. He was nominated by the convention Saturday night and at first declined to accept. He filed as candidate today.

Indiana Bank Is Robbed of \$12,000

(United Press)

Kendallville, Ind., April 12—Authorities throughout northern Indiana are scouring the countryside for a gang of professional safe crackers who robbed the Farmers' State Bank at Albion, twelve miles southwest of here early today and escaped with negotiable papers and other securities estimated at \$12,000.

Sympathy's Cheaper.
"It's all right to sympathize with the under dog in a fight," remarked the Observer of Events and Things, "but a fellow would be a fool to bet on him."

PROCEEDINGS OF THE LEGISLATURE

PRE-PRIMARY POLITICAL PARTY
CONVENTION BILL PASSED
THE HOUSE

(By United Press)

St. Paul, April 12—The pre-primary political party convention bill passed the house of the legislature today, 69 to 59. It passed the senate several weeks ago.

The bill permits each political party in the state to hold county, district and state conventions for the purpose of endorsing candidates for congress, United States senators and state offices.

Platforms also may be adopted. Names of candidates endorsed will go on the ballot along with the names of others who care to file for nomination.

Farmers had their inning in the legislature today. The state senate took up eleven bills, comprising the farmers program for the session. Nine of the bills have been passed by the house.

THE WEATHER

Forecast for next 24 hours:
Minnesota—Cloudy tonight and Wednesday, probably showers in the south portion tonight, cooler tonight and in the south portion Wednesday.

Cooperative observers record, April 11—Maximum 58, minimum 21. Reading in evening 45. South wind. Clear.
April 12—Minimum during the night, 32.

PORTRAYED DRUG FIEND

Clara Kimball Young Gave a Wonderful Characterization in "Eyes of Youth" at New Park

In the "Eyes of Youth" now showing at the New Park theatre, Clara Kimball Young gave a wonderful characterization of a drug fiend.

In "Eyes of Youth" the heroine, in gazing through a crystal into the future, finds that if she marries one of her suitors, she will be later an outcast and gradually forced into the lower levels of society, finally becoming a drug user. In the play, this descent into the life of the slums is shown with Miss Young in the leading role, but as the time approached for the portrayal of the scenes it was found that no one about the Garson studios, where the play was being filmed, numbered a drug addict among his or her list of acquaintances, and therefore it would have been a matter of more or less guess work as to just how an unfortunate would behave.

"Liquid Granite Stands Ace-High"

"with experienced users for surfaces subject to severe wear, for floors, linoleum and oil-cloth. It's water-proof, of course. But, more than that, it is pretty nearly wear-proof as well.

"Wash it with soap and water—let the children play on it—you can't hurt it. Even the moving of a piano won't mar it. It stands the hardest wear—keeping its beautiful lustre to the last. It always gives satisfaction—that's why I use it."

FIVE MINUTE TALKS GIVEN

Public Speaking Section of Women's League of Voters Held Meeting Friday Afternoon

Next Meeting Takes Place April 22 at 3:30 P. M. All Women Interested Welcome to Attend

The public-speaking section of the Women's League of Voters held their first meeting as scheduled Friday, April 8 at 3:30 p. m. All of those who were expected to speak were present and spoke upon their given topics.

At the close of the speaking, discussion and criticism followed led by the chairman of the Speaker's Bureau Mrs. W. C. Cobb.

Every one present took part in this and many good points were brought out and emphasized so as to help not only those who had already spoken but those who were yet to come. This bureau is not to fit women to be so-called stump-speakers or political orators as many suppose. The real object of the League of Women Voters is to help women, in general, to become intelligent voters. Important questions of the day having national, state or municipal bearing are studied.

It would be impossible for any one person to collect necessary data or put in enough time reading up on so many subjects, so the questions are given out and the speaker works hard at her topic, every phase of it, remember, because the League has no politics, they are studying politics in general.

Any woman, no matter how busy, can spare 20 or 30 minutes once a month to listen to a summary or concentrated talk upon something of civic importance. In this way the League expects to have the women know why they vote as they do.

The one speaking upon the question must use only authentic data and be able to answer questions and give fuller information if called upon.

The next meeting will take place April 22nd at 3:30 p. m. Program will be published prior to this date. Any woman interested in these things is welcome.

After some discussion the League instructed the secretary to send a protest to Senator Swanson against the following bills: Cutting out of appropriation for so-called fads in education viz. agriculture, business, manual training and domestic science; against raising the number on Board of Control from 3 to 4 members.

NOTICE

The Ladies Guild of St. Paul's Episcopal church will hold a sale of fancy articles, children's clothes and home baking at the Y. M. C. A. building Friday, April 15. Lunch will be served starting at five o'clock.

MINNESOTA EVIDENCE

Minneapolis, Minn.:—"I have for some years kept an assortment of Dr. Pierce's remedies in my home and use them when occasion requires. I have found them to be thoroughly reliable and effective. I am therefore able to recommend to others what I have proven by my own experience—that Doctor Pierce's medicines will benefit when other means have failed to give relief."—Mrs. BERTHA BARTSCH, 1031 Lowery Avenue, N. E.

DULUTH, MINN.:—"I have taken Dr. Pierce's Favorite Prescription for weakness peculiar to women and found it very beneficial. I had taken other medicines for this ailment but did not get any relief. I also use the 'Pleasant Pellets' for disordered stomach, biliousness and headaches—there is nothing better."—Mrs. R. THAYER, 407 West 5th Street.

BENEFITS PAID

\$155,788 Distributed Among Employees of Northwestern Bell Telephone Co.

During the last year \$155,788 was distributed among the employees of the Northwestern Bell Telephone Company as pension, and as accident, sickness, death and disability benefits, according to the annual statement of the Employees Benefit Committee. Last year the company spent nearly twice as much for employees' benefits as during 1919, and more than six times as much as in 1913, the year the plan started.

At the end of 1920 there were twenty-three employees on the pension roll of the company. During 1920 they drew regular benefits totaling \$8,514. The company distributed \$70,288 in sick benefits among its employees last year. Assistance was extended during the year in 505 cases of sickness, 314 accidents and seven death cases, making a total of 826 cases.

The benefits are made available to telephone employees without cost to them. Employees who have been with the company are cared for through sickness. Death benefits are paid the families or employees who have been with the company five years and who die in the service. Pensions are available for employees who reach certain ages after having been with the company twenty years or more.

The Employees' Benefit Fund Company, working with the Red Cross, has established classes in first aid and accident prevention in a number of cities in the five states of Minnesota, Iowa, Nebraska, North and South Dakota, where it operates. Medical representatives have been appointed to examine applicants and to advise employees as to their health.

Women's Benefit Association

The Women's Benefit association of the Maccabees will hold their regular meeting at Elks hall on Wednesday evening, April 13th. Following the regular meeting, at which time there will be a class initiation, a social session will be held and refreshments served.

This fraternal organization is fast gaining in membership and the membership drive is still on. The captain of the drive is the local deputy, Mrs. Jennie Prickett, and she is working diligently to increase the membership of the local review.

Business Meeting

At the Norwegian-Danish Lutheran church there will be an important business meeting this evening at 7:30 o'clock at the church. All voting members are requested to be present.

Methodist Aid

The Ladies Aid of the Methodist church will meet in the church Wednesday afternoon at 3 o'clock. Mrs. Wm. Sasser, Mrs. Frank Jordan and Mrs. L. A. Canfield will entertain.

CHURCH SCHOOLS OF THE CITY

Presbyterian Church Notes

188 put to Sunday school. The Misspah class with their teacher, Mrs. Risk, were entertained last Tuesday by Addie Jack at the home of Mrs. Purdy.

Seven boys of Mr. Erickson's class braved the rain of Wednesday evening and held a class meeting at the home of Ernest Johnson. No Blue! Because of this bravery, \$1.60 was added to their treasury.

The Pathfinder class will meet this Friday evening with Lois Hall. This class was glad to welcome their teacher, Miss Hughey, after an absence of several Sundays.

Mrs. Erickson's girls met with the Junior Workers Saturday afternoon at the home of Margaret Jackson. They are a wide awake lot of girls and interested in their work for the mission hospitals.

The "White Tigers" adopted a "class yell" at their monthly meeting held the other Tuesday evening. We may expect to hear from them literally.

The Sunday school building fund was increased yesterday \$45 by the D. Y. B.'s giving \$20, primary Sunday school \$5 and the officers \$20.

A meeting of the Sunday school teachers and officers was held on Thursday evening and the following officers were elected:

Superintendent—W. H. Wagner, Assistant superintendent—A. C. Erickson.

Secretary—Mrs. Fred Luken, Treasurer—J. A. McKay, Organist—Miss Daisy Backen, Assistant organist—Mrs. Chas. Risk, Cradle Roll Superintendent—Mrs. J. A. McKay.

BYE & PETERSON

"NOW-A-DAYS" says the Good Judge

A man can get a heap more satisfaction from a small chew of this class of tobacco, than he ever could get from a big chew of the old kind.

He finds it costs less, too. The good tobacco taste lasts so much longer he doesn't need to have a fresh chew nearly as often.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco

Weyman-Breton Company, 1107 Broadway, New York City

Primary superintendent—Miss Georgia Brown.
Assistant superintendent—Mrs. S. J. Bierhaus.
Secretary—Miss Cecil Morrison.
Organist—Miss Alma Brown.
Beginners' superintendent—Mrs. W. H. Wagner.

If time and space permitted we should like to give a review of the reports given at the annual meeting of last week. The church sent \$1,275 for benevolences. More members and visitors present this past year than in any year. Everyone working in harmony for the advancement of Christ's Kingdom. The Sunday school pledged to take \$300 of the \$1150 for benevolences apportioned the church. Also pledging the same towards the building fund.

Rev. Kelly left Monday for Evansville, to attend the spring meeting of Presbytery. He will be gone until the end of the week so there will be no prayer meeting this Thursday.

Mrs. McMannis and Mrs. McKay leave Tuesday to attend the annual Presbyterial meeting of the Missionary Society of Red River at Ironton.

The Woman's Missionary society will be entertained on Friday afternoon by Mrs. Downie and Mrs. Robertson at the home of the former, 422 No. 3rd street. Miss Emma H. Paige of Minneapolis, Foreign Synodical President, will speak and it is hoped she may be greeted by all the women interested in missions.

Bethany Sunday School
The average attendance for the

first three months of the year was very good

Last Sunday the school enjoyed a large attendance.

The attendance in the larger boys class could be improved upon. The intermediate boys are to be congratulated on the regular attendance.

Next Sunday the school will start at 9:45 and will continue at that hour during the warm weather. A better attendance is looked for at this hour.

BOOK DAY

April 16 is "Book Day." Just how this new national festival originated, or who is responsible for it, is not exactly clear, but the general purpose of it is obvious. It is designed to encourage an interest in books and an appreciation of books. There will be a universal admonition to "Buy a Book," quite regardless of whether or not one already has a book. Still more important, perhaps, is the admonition to return borrowed books.

In almost every home in the land there are books that belong to other people. Thousands of them belong to public libraries. They have been drawn, stuck away on the shelf or stowed in some out-of-the-way corner and forgotten. With them are volumes belonging to friends which the borrower may not prize at all, but whose return the owner is sure to appreciate. Occasionally there is a volume from a precious set, its absence rendering the whole set valueless.

Take them all back. It would be a blessing to uncounted book-lovers if every book shelf and reading table in America were overhauled on the day appointed, and the errant volumes were restored to their rightful possessors. The process, too, would awaken a new and fruitful interest in the books really belonging in the house and long neglected. Most families do not know what treasures they have among their literary accumulations until they spend an hour or two going through them.

As for "buying a book," that is an excellent thing to do, on one condition—that you buy a good one. And a good book is not necessarily a best seller or a late publication. In fact, the older a book is, the better it is likely to be, for nothing but merit preserves a literary work and keeps it on the book shop shelves when its novelty has gone. It will be vastly easier 10 or 20 years hence to pick out the good books from the stream of stuff now pouring from the press.

LIMITING CROPS

If the farmer, discouraged by low prices for his products, wants to curtail his output, argues the Country Gentleman, that is the farmer's own business. He has a right to do it, just as city business men have a right to curtail their production in dull times. But it is poor business, from the standpoint of the farmer's own interest.

"No one can gauge the harvest in advance. The manufacturer can guess at the total output of his business, but the farmer cannot. His future is dependent upon the vagaries of sun and rain. Year in and year out, the farmer benefits most by producing all he can at the smallest possible cost."

It might be added that the farmer's cost decreases with the volume of the output to a far greater extent than the manufacturer's does. Most of the manufacturer's expense is for labor, which remains pretty nearly the same per unit of product as the production increases. Most of the farmer's expense is represented in the interest and taxes on his land and the necessary upkeep of his farm. Thus the farmer's yearly charges are less variable than the manufacturer's, and the

total cost of cultivating half his farm may be nearly as much as cultivating all of it.

Too many farmers never consider the carrying charges on the land they leave idle, nor the fact that the more bushels of anything they raise by utilizing their acreage, other things being equal, the less it costs a bushel and the cheaper they can afford to sell it.

At the Lyceum

Pearl White thrilled big audiences at the Lyceum theatre yesterday, when she appeared for the first time in the William Fox production "The Thief," based on Henri Bernstein's play that was a big success in New York, London and Paris.

Miss White shows greater histrionic ability with every new picture. "The Thief" is not only pleasing and thrilling from a story standpoint, but it is beautiful photographically and scenically. It is evident that William Fox is giving Miss White the best stories he can obtain for her and is spending money lavishly to stage her productions.

"The Thief" is a story of a woman whose husband hasn't sufficient money to dress her as well as the women of their circle are dressed. Other women scorn this wife in consequence and men snub her. But she finds a way to get beautiful gowns—and then women admire her and men try to make love to her. The climax is a superb one, with Miss White at her best. Her supporting cast does excellent work. Showing last time tonight.

"All Souls Eve"

"All Souls Eve" adapted for Mary Miles Minter from the Broadway stage success of last season will be the feature attraction at the Lyceum tomorrow and Thursday.

"The Diamond Queen," a screen adaptation of the late Jacques Futrelle's famous novel, "The Diamond Master."

At the New Park Theatre

Eileen Sedgwick, the star in "The Diamond Queen," the serial to commence at the New Park theater Wednesday is one of the best known young women in moving pictures, not only because of her long succession of popular screen roles, but because of her many years as an actress in vaudeville and in the legitimate drama.

In "The Diamond Queen" Miss Sedgwick has several episodes in which she has to act with wild animals, being charged upon by lions, tigers, elephants and other dangerous beasts. This is considered the most nerve-wracking of all screen acting.

One of the first pictures in which Miss Sedgwick played was an animal picture entitled, "In African Wilds." Her shoulder was severely scratched by one of the lions in the production of that thriller. It was only by providing for every precaution that she could be induced to appear with wild animals again, for "The Diamond Queen."

Although Miss Sedgwick is twenty-one years of age, she is known by all her acquaintances as "Babe" Sedgwick. This nick-name was attached to her when she was the baby of the Sedgwick family.

She is noted throughout the screen world as one of the most fearless women in the moving picture business. Although her serials call for nerve-wracking stunts and hair-breadth escapes in every episode, she refuses to permit a "double" to take her place in any perilous bit of action.

In the filming of "The Diamond Queen," which is filled with dangerous thrills, she narrowly escaped serious injury upon several occasions. Her coolness in time of danger brought her safely through each experience, where a less level-headed would have come to grief.

When the first episode of "The

CHILDREN'S DISEASES

Children of all ages respond very quickly to chiropractic adjustments. Thousands of children are suffering needlessly. Proper attention to the spine of a sick and ailing child will restore its health and put it in the way for proper development of constitutional strength and vitality.

REASON IT OUT

You see every day old chronics. Why? Just because efforts to benefit health have been wasted through the use of unnatural and ineffective means and methods. Why continue the use of something which never has, and never can help you? Chiropractic will put new life into your system. It will remove the cause of your pains, aches and weaknesses. It will fill you with new energy and put your whole system in condition to recover and retain its health through the forces of nature that operate within it.

NEXT TOUR OF "SEEING BRAINERD FIRST"

Kampmann & Son to be Visited
Series to be to Cash and Door
Factory Wednesday

AT 709-711 SOUTH 10TH STREET

Firm Has Anticipated the Visit of the
Chamber and Its Friends and
Will Welcome All

The next tour of the "Seeing Brainerd First" series inaugurated by the publicity committee of the Chamber of Commerce, will take members and their friends to the cash and door factory of Kampmann & Son located at 709-711 South Tenth street.

The firm has made preparations to receive the visitors and the proprietors will personally conduct the sightseeing tour about their establishment. Kampmann & Son have built up a constantly increasing business and have gained the goodwill of city and farmer customers and a large trade extending in a radius of 50 miles from Brainerd.

Among large contractors supplied have been some in Carlton, Cloquet, Wadena, as well as points north and south. The firm's products enjoy a high reputation for good, dependable quality. Many homes in Brainerd have sash and doors, screen, storm windows, etc., made by this enterprising firm. The city hall contains examples of their craftsmanship.

BOY CAUGHT IN MANURE SPREADER

Pillager, Minn., April 12.—Les Rodney Daily, 9 year son of Elmore Daily, was caught in a manure spreader and terribly mutilated. He was brought to a Brainerd hospital for treatment and died after 48 hours of suffering. The little boy had played on the spreader and then jumped off and his father drove out on the field not knowing the boy was still clinging to the end of the machine where the spreader reached out and clipped him in the head.

MUNICIPAL COURT

Case of Issuing Checks Without
Funds in the Bank Settled by
Father of Man Jailed

In the case of W. A. Parker, a transient charged with issuing checks without funds in the bank, bail was fixed at \$750. The young man languished in jail and his girl wife was inconsolable. At length the father of Parker showed up, settled all outstanding claims in Brainerd, etc., the case was settled and with son and daughter-in-law the father started to his home where in new surroundings the young man is expected to make a man of himself.

Charles Tift and William Tift, charged with using indecent, immoral and insulting language, had a trial in municipal court. The state's witness was Charles A. Kreech and the two Tifts appeared in defense. They were found guilty, each fined \$5 or 3 days, and paid their fines.

In the case of William Barker bail was fixed at \$1,000 and furnished, the bondsmen being Julius Kruse and George Donant. By consent the case has been continued to April 15, at 10 a. m.

FIRE LOSS OF \$1200

Home of Art White 412 So. Ninth
Street, Damaged by Fire, Also
Furniture Loss

Fire at 8:30 o'clock this morning, believed to have started from electrical wiring, damaged a closet and nearby rooms in the home of A. C. White, 412 South Ninth and the damage to house from fire and water amounted to about \$600 and to furniture and clothes about \$1200. Insurance of \$1200 is carried. The fire department made a quick response and stopped the spread of the flames.

Bislar-Kendall

Miss Gladys Bislar, daughter of E. M. Bislar of this city, was married at 1:15 o'clock Tuesday afternoon at St. Francis rectory to Ernest A. Kendall of Pillager, Rev. Father James Hogan officiating. The young couple was attended by Miss Mildred Giles and Wilford Giles, her cousins. They left for a honeymoon trip to Duluth and the Twin Cities.

NOTICE

My wife, Pauline Houser, has left my bed and board without cause. Will not be responsible for any of her debts from this date on.

REID CASE STATED BY DISTRICT ATTY.

Response Made by District Attorney's
Office of Los Angeles, Calif.,
Regarding Local Boy

BAD COMPANY MAKES TROUBLE

F. A. Reid and Three Other Young
Men Charged With Stealing an
Automobile, Etc.

Local men have interested themselves in appealing for clemency by the authorities in the case of F. A. Reid, Brainerd boy and son of estimable parents who according to reports got into bad company in Los Angeles, Calif., and is now charged with offenses which could only have occurred because of such association.

In Brainerd the young man bore a good character and it was with amazement that Brainerd and other friends heard of his predicament.

One man who had interested himself in young Reid's behalf received this letter from the office of the district attorney of Los Angeles county, Los Angeles, Calif., which stated in part:

"F. A. Reid and three other young men, all of them between twenty and twenty-eight years of age, stole an automobile, on the streets of the city of Los Angeles and went to a drug store in this city, held up the proprietor and got about \$85 in money. They then drove down to another drug store in the south part of the city and were holding up the store when the proprietor, who had been outside, came in and engaged in a scuffle with one of the young men.

"In the scuffle another one of the young men rushed up and shot him three or four times. All of these young men were arrested within three or four days thereafter, and all of them confessed, and it seems that they had been engaged in a series of crimes, mostly street holdups, which had extended over a period of about two months.

"I might say in passing, if he is the young man, it will only be one of a great multitude of young men of good antecedents who have embarked upon lives of crime within the last year."

ELECTRICAL EXPOSITION

To be Held in Duluth April 19 to 23
—Electricity a Vital Factor in
Every Day Life

Duluth is to have an electrical exposition.

Electricity is rapidly becoming a vital factor in our every day existence. Some of the greatest men of the nation recognize the vast importance of the industry which adds so much to the comfort of the home, the efficiency of the factory and conservation of our national oil bin.

The exposition is sponsored by the Duluth Society for Electrical Development, and will be held April 19th to 23rd at the Duluth Armory.

Sweeney Says:-

MAKE YOUR FURNITURE
LOOK LIKE NEW

Many people tolerate a shabby looking chair or other piece of furniture, because they do not realize what wonders can be worked with a little of our furniture polish and a little effort.

If you want to remove varnish to refinish, if you want to paint or enamel, if you want to stain, wax or varnish, we can supply just the articles you need, including brushes. Those customers who want information or advice regarding the refinishing of furniture, can obtain the benefit of our experience for the asking.

BANK EXAMINER GETS ASSISTANT

Announcement is made of the appointment of H. L. Levitt as Asst. Bank Examiner for South Dakota. Mr. Levitt is a graduate of Dakota Business College, Fargo, N. D., and will undoubtedly meet many other ex-students of this commercial school in his work, as about 220 of them have become bank officers. Many began as stenographers and bookkeepers.

Every Fargo bank and 685 others employ D. B. C. graduates.

"Follow the Successful." Spring term is best time to start. Write for particulars to F. L. Watkins, Pres., 806 Front St., Fargo, N. D.

CHAMBER COMMERCE REGULAR MEETING

House and Social Committee Will Provide Refreshments and a Musical Program

BUSINESS, THEN A SOCIAL HOUR

Musical Numbers Expected to Include
Quartet Singing, Vocal Solos
and Other Numbers

There will be an important business meeting of the Chamber of Commerce on Wednesday evening after which the members will enjoy a social hour which will be in charge of the house and social committee.

Refreshments will be served and will include ice cream and wafers. The musical program will include quartet songs, vocal solos and instrumental numbers.

The house and social committee expects a large attendance and is preparing accordingly. Since this committee took hold this year everything they planned has been most successfully carried out.

ELECTRIC DISH WASHER

Novel Machine in Operation at Herbert Lunch Room, Does Work
Quickly and Well

A novel electric machine, a dish washer, is now in operation at the Herbert lunch room, placed there by the Brainerd Electric company. It does its work silently and well, in a sanitary manner and is a great labor saving device.

Many people have watched its operation and were favorably impressed by the device.

Junior Class

The Junior class will hold a candy sale all day Wednesday, April 13, at Brainerd high school. All students are asked to come prepared to buy.

ELECTRIC JUICE FROM BRAINERD

Arvig Brothers of Pine River to Build
an Electric Line from Brainerd
to Pine River

24 HOUR SERVICE TO BE GIVEN

Work on Line Connecting With Cuyuna Range Power Co. to be
Made Early in Spring

(Pine River Sentinel-Blaze)

Arvig Brothers have completed arrangements for the building of an electric line from Brainerd to Pequot, which will enable them to obtain additional electricity whenever desired from the Cuyuna Range Power Co. This line will connect with their line at Pequot and will enable the local company to give twenty-four hour service to all their patrons. Work on this line will commence as soon as the frost is out of the ground provided poles which they have bought will be delivered according to expectations.

In addition to this Cuyuna connection, the Arvigs will this coming spring make provision for a greater supply of water for their local plant. They have purchased what is known as the Bailey farm this side of Backus which gives them control of the outlet into Backus Brook. By building a very simply constructed gateway at the outlet of Pine Mountain lake they will be enabled to hold considerable water, which will be of much value at times when the local water supply is low as is usual in the winter time.

Work on these two projects will be hailed with delight by local users of electricity, and it is hoped that nothing interferes with the plans as outlined above.

Brainerd, Minnesota

BIG LEAGUE TEAMS ARE ALL SET FOR START TOMORROW

FARRELL SAYS BIG QUESTION IS
WHETHER BASEBALL WILL
"COME BACK"

HENRY FARRELL
(United Press Staff Correspondent)

WHERE THEY WILL PLAY TOMORROW

National League
Brooklyn at Boston.
New York at Philadelphia.
Pittsburgh at Cincinnati.
St. Louis at Chicago.

American League
Chicago at Detroit.
Cleveland at St. Louis.
Philadelphia at New York.
Boston at Washington.

New York, April 12—Spring planting in baseball starts tomorrow.

Sixteen major league managers will drop a pennant seed with crossed fingers and the hope that its plant will bloom in October with a world's series crop of coin.

The 1921 season starts with the usual assortment of predictions and hopes for success.

Last year at this time the issue was—"Will baseball come back after the war?"

This year it is—"Will baseball come back after the scandal?"

Executive heads of the leagues and the club owners believe it will since organized baseball has shown its desire to keep the game clean by banishing the players which drew national suspicion on the game.

"Baseball had its best and most prosperous season last year. I can see no reason why it should not repeat this year," John A. Heydler, president of the National League, said today.

Politically the season starts with an improved organization presided over by Judge Landis. Technically, both league look stronger, with improved clubs that should furnish the hottest race of recent years for the championship honors.

Very few critics look to see the honors won by the same teams. Cleveland is considered a repeater in the American League, but the New York Giants are favored to beat out the Brooklyn Robins for the privilege of defending the National League flag in the series battles.

The National League has two greatly improved clubs in the Giants and the Pittsburgh Pirates, which look to have the prize between them.

The Giants found in Goldie Rapp, former St. Paul third baseman, an infielder who promises to fill a hole through which the pennant slipped last year. Manager McGraw was also fortunate in picking up two fine pitching prospects in Bill Ryan and Pat Shen.

Rabbit Maranville will put new life and strength in the Pittsburgh Pirates, filling a want that also kept the Pirates down in the race last year.

The Cincinnati Reds are much weaker than they were last year and Brooklyn seems no better than last year, when the Robins slipped in on a fluke.

Cleveland, New York and St. Louis will battle it out in the American League with the bare chance that Washington and the Athletics will slip in and associate with the "upper classes."

Tris Speaker has the same club, with a much stronger pitching staff to go through the season. The Yanks have a powerful club, but slow and unwieldy, while the Browns lack pitchers to get by the Indians.

The White Sox perhaps will be watched closer than any team in the big leagues. Kid Gleason has a monumental task to build a club from the remnants of the wreck that survived last fall's expose. Chicago fans are discouraged and think they are shooting high when they hope for a first division club.

Ty Cobb's accomplishment as manager of the Detroit Tigers also will be watched with the greatest interest by the fans, who are anxious to know if the game's greatest player can become the greatest manager. The "Georgia Peach" seems to have won the support of the players and had great results during the training season.

There are other new managers whose work will also add to the interest in the pennant races. Johnny Evers is back with his "old love," the Chicago Cubs; Bill Donovan is going to try what no one else has been able to do for the Phils and Fred Mitchell will handle the Boston Braves.

Half of the clubs in the American League will be in new hands. Like

Ty Cobb, George McBride is making his managerial debut at Washington. Hugh Duffy will handle what is left of the Boston Red Sox after one of Harry Frazee's characteristic winters of trading and Lee Fohl will take Jimmy Burke's place with the St. Louis Browns.

As usual, Babe Ruth will be one of the big features of the season. If the Bambino can get away at an early start, it is almost a sure bet that he will break the 54 home run record that he made last season.

Do You Look Ahead

Are you a "FORWARD-LOOKER" or are you a "BACKWARD-LOOKER?" If you are the latter, you will be thinking most of the time about the things you wished you had done last summer, or last winter, or last fall. But, if you are the former, you will be thinking of the things you will do next summer, you will be making your plans now for the summer season that will be here before you know it.

Our summer goods are coming in. We have many things that will please you, things for your porches and things for your cottages, things that will give you new interest in your plans for the season that is to come.

LET US HELP YOU TO "LOOK AHEAD!"
